This Craftsman style 2-story home features a tumbled stone facade and stunning wood panel entry door with sidelights and oil-rubbed bronze hardware.

Step inside and notice the soaring entry foyer, with 3.5" oak plank hardwood flooring and 8" base moldings throughout the 1st floor. Off the entry is the private office space or living room with glass panel French doors. Next, you enter the formal dining room with blown glass chandelier. From here, you enter the amazing kitchen that is open to the great room.
